

FS-SUB15P

Passive 15" subwoofer

The FS-SUB15P is a compact passive 15" subwoofer. The down firing 15" woofer combined with a large bass reflex acoustic port provides deep and tight bass response.

Features

- Discreet look for inconspicuous use
- Compact sub for concerts, conferences and events and more
- Extremely efficient 15" woofer provides incredibly deep bass and acoustic power
- Equipped with handles for easy carrying
- Designed, engineered and tuned in Italy

Applications

- The FS-SUB15P is ideal for mobile and installed applications
- A good solution for all sizes of indoor/outdoor live event and indoors applications like disco, night club, conference, school auditorium and places of worship
